

PRIVACY POLICY

1. GENERAL

- 1.1 This privacy policy ("**Privacy Policy**"), describes how MB Scientific AB, corporate registration number 556605-8425, with its principal place of business at Seminariegatan 29 B, 752 28 Uppsala, Sweden ("**MB Scientific**"), process personal data.
- 1.2 We respect your right to privacy, and we are committed to comply with applicable data protection rules and to safeguard your rights. We want to make sure that you are aware of what types of information we collect or obtain from you via our website, how this information is used and how we protect it.

2. HOW MB SCIENTIFIC PROCESS PERSONAL DATA

- 2.1 This privacy policy primarily applies to representatives of suppliers and customers.
- 2.2 MB Scientific only process personal data that you or your employer provide us with. Such data may include contact information, correspondence and payment information.
- 2.3 MB Scientific process abovementioned personal data based on the following legal bases and for the following purposes:

Purpose	Legal basis
Contact you in reference to the business relationship between MB Scientific and you or your employer.	The processing is necessary for MB Scientifics legitimate interest in initiating or maintaining a business relationship with you or your employer (legitimate interest). In case the purchaser is not a legal entity, personal data will be processed if it's necessary for the performance of a contract.
Send invitations for events and market our products.	The processing is necessary for MB Scientifics legitimate interest in marketing its products (legitimate interest).
Comply with legal obligations regarding bookkeeping.	The processing is necessary in order to comply with MB Scientifics legal obligations regarding book-keeping.

3. STORAGE PERIOD

MB Scientific will only store your personal data as long as it is necessary for the purposes of the processing above.

4. HOW WE SHARE YOUR PERSONAL DATA

Your data may be shared with third parties such as IT-providers or authorities. Your data will only be accessed by or transferred to such parties when it's necessary for the purposes of the processing.

5. TRANSFER OF PERSONAL DATA TO THIRD COUNTRIES

MB Scientific does not transfer your personal data to third countries.

6. YOUR RIGHTS

Access

You have the right to obtain confirmation from MB Scientific as to whether or not personal data concerning you are being processed, and, where that is the case, access to the personal data.

Rectification

You have the right to without undue delay obtain rectification of inaccurate personal data concerning you. You also have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

Erasure

You have the right to obtain erasure of personal data concerning you without undue delay.

Restriction

You have the right to obtain from the controller restriction of processing when you contest the accuracy of the personal data, you oppose to the erasure of personal data, you need the personal data for a legal claim or while a verification is pending in exercising your right to object.

Objection

You have the right to object, on grounds relating to your particular situation, at any time to processing of personal data concerning you which is based on MB Scientific's legitimate interests.

Requests and Complaints

If you wish to exercise any of the abovementioned rights or if you have any questions regarding Personal Data held by us or this online Privacy Policy, please do not hesitate to contact us (for contact information, please see section 9 below).

Should you be dissatisfied with our processing of your Personal Data, please let us know, and we will do our best to meet your complaints. Your integrity is very important to us, and we always strive to protect and secure your Personal Data in the best possible way. Should we nevertheless, in your opinion, fail in this ambition, please note that you are also entitled to lodge a complaint with the Swedish Data Protection Authority (Sw. Datainspektionen), or such other authority as may be determined in the future.
